Invitation For Tenders Single

1. Funding Details

The above named client intends to use part of the proceeds of a loan from/grant administered by the European Bank for Reconstruction and Development (the Bank) towards the cost of the above named contract(s).

Additional financing information:
EBRD Loan 44114 and AD MEPSO own funds.

2. Information on the Procurement Exercise

Contracts will be subject to the Bank's Procurement Policies and Rules and are open for participation for firms from any country, unless otherwise specified in the procurement documents.

The type of contract and the procurement method is stated above. A full description of the procurement exercise is available within the documentation and is available free of charge in ECEPP.

The documentation will include such information as: detailed technical and financial requirements; any information on lots; the expected outcome; eligibility and qualification requirements; contract start date; planned contract duration; any response requirements; any other relevant information.

This procurement exercise will be conducted using the EBRD Client E-Procurement Portal (ECEPP). Prospective participants can access the procurement exercise by clicking on the below link or on the 'Access Opportunity' button (if viewing this notice on ECEPP). Registered participants may log in and access the documentation immediately and unregistered participants may do so after completing a brief registration:

<https://ecepp.ebrd.com/respond/D6459JVXEG>

3. Other Information

Rehabilitation of SS 400/110 Bitola 2:
Replacement of 400 kV equipment (400 kV disconnectors)
Replacement of 110 kV equipment (110 kV disconnectors and instrument transformers)

Replacement of equipment for auxiliary supply (6 kV circuit breakers, instrument transformers, 0,4 kV and 220 V DC switchboards)
Replacement of outdoor illumination

4. Client Address

The client's address is for information only. To register interest, access the documentation using the available links. Participants must use the ECEPP message centre for communication with the client.
